About Priyanka Enterprises

Priyanka Enterprises has been a leading company that deals in Children Furniture, Play Equipment, School Educational Aids and Outdoor Playground Equipment. Our journey started in the year 1995 with the establishment of the iconic company "PRIYANKA ENTERPRISES".

Our founder Mr. Akarapu Janardhan's noble intention was to provide education in a playful and a practical method to children. We strongly believed that play items have a major role in kids everyday life. They have a powerful influence on kids development, learning & interactions with peers. With this strong belief we started our business in innovative learning aids and play items.

Now the firm is a leading and prominent supplier, trader, distributor and global importer of Classroom Furniture, Play School Educational Aids, Exclusive Montessori Equipment, Indoor Play School Items, Outdoor Playground Equipment, Kids Fitness Equipment, Classroom Writing Boards, Play Area Flooring and many more products.

We stock the range in bulk. All the products offered by the firm are a class apart owing to its attractive designs, unmatched supreme quality, reasonable pricing. Right from its inception the firm has remained the topmost choice of clients, We have a wide spread customer base spanning across South East India.

Our valuable clientele includes many of the established & corporate schools across Telangana & Andhra Pradesh, government schools such as Sarva Shiksha Abhiyan and Anganwadi centers, few builders and developers.

Expanding our horizon, we had launched our very own brand "Smile Play" in 2018. We deal in manufacturing of Play School Furniture and Teaching Aids. The firm focuses on delivering safe, innovative & educative high quality products that help the kids in exploring their skills while playing.
